

## *Giving Every Person on Earth Multiple Opportunities to Know Jesus*

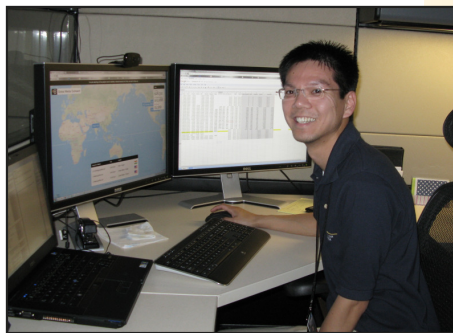

### *New Life through our Easter Outreach*

On Wednesday, Good Friday, Saturday and Easter Sunday well over *Four Million People* heard the Gospel message because GMO's partners provided the resources to tell them. Isn't that incredible? Over 400,000 indicated their decision to accept Jesus Christ as Lord and Savior or recommit their life to Christ.

#### **During these 4 days together we had:**

- **4,127,491 Visitors**
- **417,080 Indicated Decisions**
- **63,595 Email follow-up**

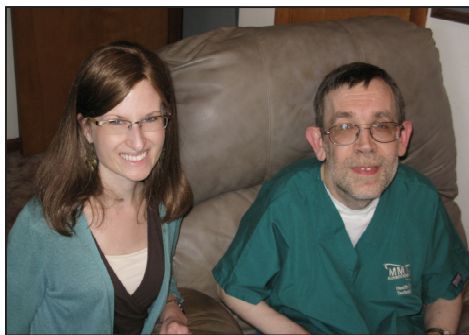

Many of these men and women, especially in the Middle East, Asia and Africa, may never have heard His name. Well, this past Easter week they did, and as more than 417,000 responded they transitioned from death to life.

*Matt stayed busy working on our four Million Visitor Days*

### *Making Connections*

This month, Matt and I had the opportunity to meet David, one of my Online Missionaries.

*Margaret with Online Missionary, David*

Here's how David describes his experience with GMO:  
*I have been disabled my entire life with a form of Muscular Dystrophy. Under your guidance, well the Lord's guidance, I have reached more people since I have been with GMO than I would in a lifetime without it. What a great opportunity we have to share what we take for granted. Thank you for all that you do for the cause of Christ.*

David shared with us his recent honor of being licensed by his church as the first internet missionary in his county! It was so encouraging to hear first hand how the Lord is using the ministry of GMO to significantly expand David's ministry around the world!

### **Praises & Prayer Requests**

- **Praise the Lord for the 4.1 million Gospel exposures over Easter!**
- Pray for the 417,080 people who indicated a decision for Christ.
- Pray for the 63,595 people who sent us emails to begin follow-up.
- Pray that the 3.7 Million people who were exposed to the Gospel but did not indicate a decision will be led to God.
- Continue praying that the Lord will raise up 41 new Russian speaking Online Missionaries this year.
