

### *Giving Every Person on Earth Multiple Opportunities to Know Jesus*

#### *Million Visitor Days*

Google tells us that every day around 2 Million people search for God on the internet. Every day, more people are searching for hope, love, peace, and answers to the deepest questions in life. At Global Media Outreach, we try to answer some of these questions, providing the love of God through sharing the Gospel on the internet with as many people as possible.

**On March 24 and 25, we trusted the Lord for something incredible: 1 Million visitors each day to our evangelistic websites.** This event was unlike anything we have ever done at GMO. We understand as a ministry that it often takes multiple exposures to the Gospel before someone makes a life-transforming decision to place their faith in Jesus Christ. We also know that we cannot make anyone click on one of our ads or search for God, let alone make a decision, or send us an email—that only comes from the Lord.

	<u>March 24</u>	<u>March 25</u>
<b>Website Visitors:</b>	1,094,614	1,531,459
<b>Decisions for Christ:</b>	111,859	144,030
<b>Emails for follow-up:</b>	13,514	16,016

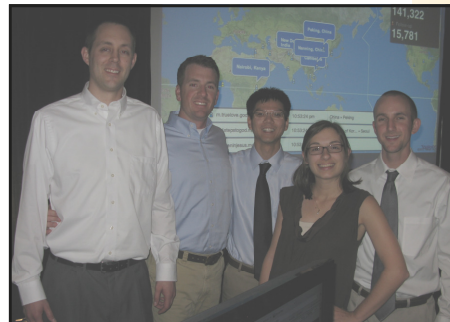

Over these 2 days we received **29,530 emails** from people who want to know more about Jesus, grow in their faith, ask more questions, or are earnestly reaching out for help. We received one email from India, from our site 4stepstogod.mobi: ***"I'm done with life. Nothin happy left. Wanna die. What to do?"*** One of our 5,000 Online Missionaries will respond to this email and share God's words of hope, peace, and love.

As our CEO Mark Weimer pointed out, *"One very encouraging thing is that there are many more people out there searching for God. So there are lots of people to reach! Praise God for what He has done, and thank you for helping make this possible."*

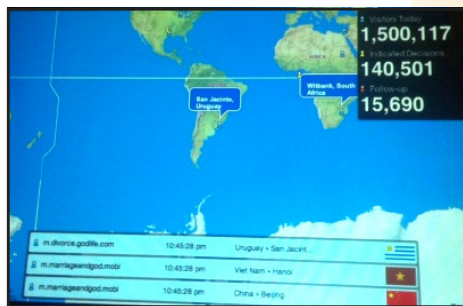

**Our work is not finished, and we look forward to what God will continue to do!**

Serving with you,
