

Giving Every Person on Earth Multiple Opportunities to Know Jesus

8,000 Online Missionaries and Counting!

The Lord has blessed us with over 8,000 Godly men and women who respond to emails around the world each day! Here's what a few of our Online Missionaries have to say about this ministry opportunity:

What an amazing, unique way for an old lady like myself to "go into all the world and preach the gospel." Having always only been able to work on the supply line, now I could be on the front line having contact with seeking people....amazing! – *Bobbi*

We are in a stage of life where the Lord has us planted where we are until our daughter graduates. This is an opportunity for me to use my gifts in the Great Commission. We hear so much about the 10/40 window and those who are coming to faith in the Middle East. I cannot go, but I can share the gospel from here. This is perfect for a mom. – *Lynn*

We received this story from Jean, another Online Missionary:

Recently I traveled with my husband, Don, to China. We were on the Great Wall outside of Beijing. The young University student who was our tour guide for the day was handed a tract in Chinese. I asked her to translate it for us by having her read it out loud to us.

Before she could finish, she exclaimed, "I know this Jesus! I met him on the Internet!"

Can you imagine the joy Don and I both felt to realize we are a small part of your ministry reaching the world for Jesus! People's lives are being changed and the safe place to share has become the Internet!!!

This young girl's life had been changed! She meets with other students to worship and study the Bible in an apartment near the university. Since she met Jesus, she no longer practices Buddhism.

When we are in China on the streets we must be careful how we share Jesus, but when I am in my hotel room I can get online on the GMO ministry site and share openly! How great is that?

It is an amazing privilege to be involved in this endeavor and to know that God is working through us to have a life-changing impact on people around the world. **We want you to know** that your prayers and contributions are an investment for eternity.

Serving with you,

Matt & Margaret

*We celebrated our
2nd anniversary on November 7!*

Adoption Update:

- Our adoption home study is finally complete. We ask for your continued prayers for our adoption and for God's protection over our child! Pray that God will prepare our hearts for the many changes that lie ahead for our family.

Prayer and Praise:

- Matt and his team put a lot of time and energy into seeing many people reached with the Gospel message. *Praise the Lord for His work this month!!*

Visitors: 10,506,840

**Indicated
Decisions: 1,380,242**

Emails: 183,024

- Pray for our 8,000+ volunteer Online Missionaries around the world who faithfully serve the Lord from their computers.
